We were delighted to see so many people attend the Fourth Annual Gala Thanksgiving Dinner. Special thanks to Ambassador Troy Lulashnyk and Mrs. Kim Lulashnyk as well as Father Lesiuk for making the evening particularly meaningful.
As a follow-up to the evening, we would be interested to have your feedback to ensure that future Thanksgiving celebrations meet the expectations of the membership. What did you enjoy about the evening? Could we do something better/ differently? What suggestions do you have for next year? Please send your comments to events@austria-canada.com
