Der Eigenbrötler Félix und Meira, eine verheiratete, chassidische Jüdin und Mutter einer kleinen Tochter, verlieben sich ineinander und treffen sich heimlich. Aber je größer ihre Liebe wird, desto schwieriger werden die Entscheidungen, die ihnen bevorstehen. Dieser herzerreißende Film voller Gegensätze untersucht die unerwartete Begegnung zwischen zwei Menschen aus zwei unterschiedlichen Gesellschaften, die sich zu einer aussichtslosen Liebesgeschichte hinreißen lassen.
