

Let's celebrate Canada Day together with a potluck picnic in the Park!

Society member Lee Richard and his team of helpers is organising another day of fun and sun 🙌 on the scenic banks of the Alte Donau. Bring your own food and drink but if you could also bring a dish of your choice to contribute to the group buffet table that would be great. The Austrian Canadian Society will provide the napkins, plates/utensils and some bottles of refreshing Austrian wine!

Bring your Canadian national pride, picnic blanket, swimming suit, bring your friends, kids and pets, the more the merrier!

Paddleboarders delight!

The Alte Donau remains a theme this summer, this time with a unique experience on the water with Society member Chantal Lamarre.
