*Dear Society members here are our next 3 events  
for February and March.*

## The Toronto Symphony Orchestra in Vienna on February 9th

We are already looking forward with great delight welcoming the Toronto Symphony Orchestra to Vienna on 9 February, when their acclaimed European tour reaches its festive finale at the Wiener Konzerthaus. The program promises an inspiring journey, featuring works by Canadian composer Kelly-Marie Murphy, the folkloristic richness of Bartók, and the luminous serenity of Mahler—all brought to life by the brilliant Patricia Kopatchinskaja and Anna Prohaska under the baton of Gustavo Gimeno. Members who managed to get tickets to the concert are warmly invited to join Ferdinand, our Treasurer, for a convivial glass of sparkling wine during the intermission (approx 8:30 PM), courtesy of the society. He will be at the lower-level concert bar ("Buffet"). To confirm the meetup, simply reach out via WhatsApp: 0676 630 8875 or [treasurer@austria-canada.com](mailto:treasurer@austria-canada.com). We are looking forward celebrating a wonderful evening of Canadian-Austrian cultural friendship with you!
