“SOCIETY SOCIAL”

The ‘Society Social’ will take a short break until January as most of us have an over abundance of social gatherings during the festive season. The Social will be back again with a bang after ringing in the New Year!

The ACS/ÖKG Board members want to thank you sincerely for your continued loyalty and participation in the Society and wish you and your loved ones a fabulous holiday season!

HONOURING A DISTINGUISHED MEMBER

Professor Dr Waldemar **Zacharasiewicz**, long term Society and Scientific Board jury member was inducted as a Fellow to **The Royal Society of Canada** on November 22 in Quebec City! This is a rare

tribute for non-Canadian citizens - all the more congratulations go out to the recently retired Director of Canadian Studies at the University of Vienna !!!
