Festival du Film Francophone**

**March 26- April 10, 2025**

Now in its 27th year, the annual *Festival du Film Francophone* features a mix of French language films, documentaries, animations and shorts from a collection of countries, including Canadian submissions.

The event runs with the cooperation of various French-speaking organisations as well as the Ambassade du Canada en Autriche and takes place in the Votiv Kino and the Kino De France.

The festival films have French audio, mostly with subtitles in either German (tagged OmdU) or English (tagged OmeU). Find the full programme and other details on the official website:
