TECHNISCHE
UNIVERSITÄT
WIEN

Science Busters, Technology Wizards and Curious Minds are meeting on Thursday, March 22 - hope you will too!

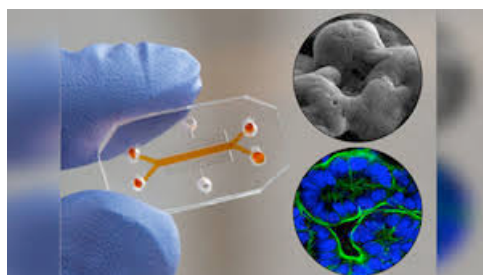

Univ. Prof. Dipl.-Ing. Dr. Peter Ertl, who heads the cell-chip research team in the Division of Organic & Biological Chemistry at Vienna's Technical University has put together an exclusive program for the Austrian Canadian Society.

Biochips, Personalized Medicine, Nanotechnology, Replacing Animal Testing: these are some topics to be explored in a fun evening including a presentation/lab tour/hands-on experiments with some wine and cheese to cap it all off! **Please register** your participation with secretarygeneral@austria-canada.com

Thursday March 22, 18:30

Getreidemarkt 9, 1060 Wien

Institute of Applied Synthetic Chemistry, Technische Universität Wien

SOCIETY SOCIAL

We will be chasing the cold and winter blues next week in the cozy warmth of **Flanagan's Irish Pub** on Thursday March 7 - it's never too early to raise a glass to St. Patrick! (Your first drink courtesy of the Society). Just pop in on your way home from work.

Thursday, March 8 starting at 6pm

Flanagan's Irish Pub

Schwarzenberg Strasse 1-3, 1010 Wien

Austrian - Canadian Culture Combo

The Austrian (Hudler) -Canadian (Grube) concert pianists will tickle the 'ivory' and warm your hearts in the cozy crypt of the Peterskirche on Wednesday, **March 21 at 7:30pm**. This is an open concert, please note ticket info below.
